

Service Pricing

Important Note regarding expedited installation services: 'Same Day', 'Next Day', etc. refer to the same day, next day, etc. from the day that the order was placed, **if received by 2:00 pm**. Orders received after 2:00 pm will be considered to have been received the next business day.

- **Standard Installation:** Standard installations include post-installation, any panels and riders hung during the initial installation within three business days. The signpost Basic Rental period of up to 90 days, and a standard service area up to 20 miles.
- **Next-Day Installation:** This includes all standard services, completed the next business day.
- **Same-Day Installation:** This includes all standard services, completed the same business day, if available.
- **Weekend Installation:** This includes all standard services, completed on a weekend day, if available.

If your installation request involves expedited service (next day, same day, or weekend day), or is outside our standard service area, we'll let you know what extra charges will apply, if any, while you are creating your order. You will always be able to make an informed ordering decision!
