Hello and thank you for your interest in Astor Creek Golf & Country Club.

I feel it is best to describe what will make Astor Creek Golf & Country Club such a special place and somewhat incomparable to other Golf Clubs in the area.

Yes, Astor Creek Golf & Country Club will have 18 holes of exceptional golf, will employ a magnificent Chef with culinary creativity beyond measure, and will maintain a first-class Clubhouse and other amenities, but that's not what makes this place truly special.

Astor Creek Golf & Country Club, with all its beauty and superb amenities, will have a true soul. The goal of our efforts is for Members and their Guests to grow a Club Family that gives this special place a spirit. It is our intention to build a Membership for friendships to prosper.

The Club's Membership Ambassador will be contacting you very soon. In the meantime, please don't hesitate to send specific questions directly to info@hampton.golf.
